

Progress Checklist - Divorce Cases (for Petitioner)

You are required, as assigned solicitor, to comply with the Director of Legal Aid's (DLA) requests for information regarding the progress of proceedings to which the certificate relates. This checklist is intended to serve as a reference only and to provide a timeframe for reporting progress of proceedings to DLA. This checklist is not intended to replace written reporting to DLA nor to provide an exhaustive list of the steps that have to be taken in the particular case assigned to you.

Each part is based upon a timeframe during which certain steps are expected to be taken or events are expected to have taken place. If it is not possible for you to complete the steps listed in each part within the time specified or expected events have not occurred, you should provide a written explanation to DLA.

You should report to DLA the completion of the steps or the occurrence of events referred to in the checklist within the time period specified below.
