

Progress Checklist - Judicial Review Cases (for Applicant)

You are required, as an assigned solicitor, to comply with Director of Legal Aid's (DLA) requests for information regarding the progress of proceedings to which the certificate relates. This checklist is intended to serve as a reference and to provide a timeframe on the progress of proceedings. As a reference, the checklist is not intended to be an exhaustive list of all the steps in such cases. The checklist is not intended to replace written reporting to DLA.

Each part is based upon a time frame during which certain steps are expected to be taken or events are expected to have taken place. If it is not possible for you to complete the steps listed in each part within the time specified or expected events have not occurred, you should provide a written explanation to DLA.

You should report to DLA the completion of the steps or the occurrence of events referred to in the checklist within the time period specified below.

The scope of legal aid certificates may be limited in scope. Prior to undertaking any work outside the terms of the certificate, you must apply to DLA for extension of the certificate by giving all necessary information to justify the extension.
